

Differentiate and Reach More Customers

Optimize your solution for Intel® technologies and earn the Accelerated by Intel® brand

In today's crowded technology markets, it's tough for customers to know which solutions will work best for their business. Accelerated by Intel® uniquely identifies the extensive efforts of your team to deliver an Intel-optimized solution and help it stand out from the competition.

accelerated by **intel.**

Benefits of the Accelerated by Intel®

When your solution qualifies for the brand you

- Benefit from Intel's strong marketing outreach
- Get easy-to-use Partner Activation Kits Including:
 - Content for your campaigns
 - Accelerated by Intel brand image files
- Additional potential opportunities to engage in expanded outreach with Intel marketing

With an Intel-optimized offering, you give your customers experiences enhanced by Intel technology. Find out how your solution can earn the Accelerated by Intel brand. Reach out to your Intel contact or email **Accelerated by Intel Requests** and include solution information to receive additional information.
