

SOFTWARE LICENSE AGREEMENT (BINARY)

IMPORTANT NOTICE – PLEASE READ AND AGREE BEFORE DOWNLOADING, INSTALLING, COPYING OR USING THE SOFTWARE

This agreement (the “**Agreement**”) is between you, or the company or other legal entity (“**Legal Entity**”) that you represent and warrant you have the legal authority to bind, (each, “**You**” or “**Your**”) and Intel Corporation and its subsidiaries (collectively, “**Intel**”) regarding Your use of the Software. By downloading, installing, copying or otherwise using the Software, You agree to be bound by the terms of this Agreement. If You do not agree to the terms of this Agreement, or do not have legal authority or required age to agree to them, do not download, install, copy or otherwise use the Software.

1. DEFINITIONS.

“**Derivative Work**” means a derivative work of the Software as defined in 17 U.S.C. § 101 et seq.

“**Reciprocal Open Source Software**” means any software that is subject to a license which requires that (a) it must be distributed in source code form; (b) it must be licensed under the same open source license terms; and (c) its Derivative Works must be licensed under the same open source license terms. Examples of this type of license are the GNU General Public License or the Mozilla Public License.

“**Software**” means the software in binary code form and any updates or releases thereto provided to You by Intel under this Agreement. Software does not include Third Party Programs.

“**Third Party Programs**” mean the third party software (if any) listed in the “third-party-programs.txt” or other similarly-named text file that may be included in the Software.

2. LIMITED LICENSE. Subject to Your compliance with the terms and conditions of this Agreement, Intel grants You a limited, nonexclusive, nontransferable, revocable, worldwide, no fee license during the Term, without the right to sublicense, under Intel’s copyrights, to (a) reproduce a reasonable number of copies of the Software, (b) use the Software, and (c) distribute the Software under the same terms and conditions of this Agreement by including a copy of this Agreement with Your distribution.

3. OWNERSHIP/LICENSE RESTRICTIONS. All right, title and interest in and to the Software and associated documentation are and will remain the exclusive property of Intel and its licensors or suppliers. Except as expressly permitted under the Agreement, You will not, and will not allow any third party to (i) use, copy, distribute, sell or offer to sell the Software or associated documentation; (ii) modify, adapt, enhance, disassemble, decompile, reverse engineer, change or create Derivative Works from the Software except and only to the extent as specifically required by mandatory applicable laws or any applicable third party license terms accompanying the Software; (iii) use or make the Software available for the use or benefit of third parties, such as in a SaaS application; or (iv) modify, create a Derivative Work, link, or distribute the Software so that any part of it becomes subject to the license requirements of Reciprocal Open Source Software. You acknowledge that an essential basis of the bargain in this Agreement is that Intel grants You no licenses or other rights including, but not limited to, patent, copyright, trade secret, trademark, trade name, service mark or other intellectual property licenses or rights with respect to the Software and associated documentation, by implication, estoppel or otherwise, except for the licenses expressly granted above. You acknowledge there are significant uses

of the Software in its original, unmodified, and uncombined form. You may not remove any copyright notices from the Software. You agree to prevent any unauthorized copying of the Software.

4. **THIRD PARTY PROGRAMS.** Third Party Programs, even if included with the distribution of the Software, may be governed by separate license terms, including without limitation, third party license terms, other Intel software license terms, and open source software license terms. Such separate license terms (and not this Agreement) govern Your use of the Third Party Programs.

5. **LICENSE TO FEEDBACK.** This Agreement does not obligate You to provide Intel with materials, information, comments, suggestion or other communication regarding the features, functions, performance or use of the Software ("**Feedback**"). If You do provide Intel with Feedback, You grant to Intel and its affiliates a non-exclusive, perpetual, sublicensable, irrevocable, worldwide, royalty-free, fully paid-up and transferable license, to and under all of Your intellectual property rights, to publicly perform, publicly display, reproduce, use, make, have made, sell, offer for sale, distribute, import, create Derivative Works of and otherwise exploit any Feedback regarding the Software provided by You or on Your behalf.

6. **NO OBLIGATION.** Intel may make changes to the Software, or items referenced therein, at any time without notice. Intel is not obligated to support, update, provide training for, or develop any further version of the Software or to grant any license thereto.

7. **WARRANTY DISCLAIMER.** THE SOFTWARE IS PROVIDED "AS IS" WITHOUT ANY EXPRESS OR IMPLIED WARRANTY OF ANY KIND INCLUDING WARRANTIES OF MERCHANTABILITY, NONINFRINGEMENT, OR FITNESS FOR A PARTICULAR PURPOSE. Intel does not warrant or assume responsibility for the accuracy or completeness of any information, text, graphics, links or other items within the Software.

8. **LIMITATION OF LIABILITY.** IN NO EVENT WILL INTEL OR ITS AFFILIATES, LICENSORS OR SUPPLIERS (INCLUDING THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES, AND AGENTS) BE LIABLE FOR ANY DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, LOST PROFITS, BUSINESS INTERRUPTION, OR LOST DATA) ARISING OUT OF OR IN RELATION TO THIS AGREEMENT, INCLUDING THE USE OF OR INABILITY TO USE THE SOFTWARE, EVEN IF INTEL HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. SOME JURISDICTIONS PROHIBIT EXCLUSION OR LIMITATION OF LIABILITY FOR IMPLIED WARRANTIES OR CONSEQUENTIAL OR INCIDENTAL DAMAGES, SO THE ABOVE LIMITATION MAY IN PART NOT APPLY TO YOU. THE SOFTWARE LICENSED HEREUNDER IS NOT DESIGNED OR INTENDED FOR USE IN ANY MEDICAL, LIFE SAVING OR LIFE SUSTAINING SYSTEMS, TRANSPORTATION SYSTEMS, NUCLEAR SYSTEMS, OR FOR ANY OTHER MISSION CRITICAL APPLICATION IN WHICH THE FAILURE OF THE SOFTWARE COULD LEAD TO PERSONAL INJURY OR DEATH. YOU MAY ALSO HAVE OTHER LEGAL RIGHTS THAT VARY FROM JURISDICTION TO JURISDICTION. THE LIMITED REMEDIES, WARRANTY DISCLAIMER AND LIMITED LIABILITY ARE FUNDAMENTAL ELEMENTS OF THE BASIS OF THE BARGAIN BETWEEN INTEL AND YOU. YOU ACKNOWLEDGE INTEL WOULD BE UNABLE TO PROVIDE THE SOFTWARE WITHOUT SUCH LIMITATIONS.

9. **TERM, TERMINATION AND SURVIVAL.** This Agreement is effective from the date that Intel provides the Software to You and continues in effect until You violate any of its terms or conditions or Intel terminates this Agreement for convenience ("**Term**"). Upon termination of this Agreement, all licenses granted to You hereunder terminate immediately. Upon termination, You will immediately stop use of the Software, permanently remove the Software from your systems, and destroy the Software (including

providing certification of such removal and destruction to Intel). The following sections will survive termination of this Agreement: Section 1, 3 (first sentence), 4, 5, 7, 8, 9, 10, 11, 14, 15, and 16.

10. GOVERNING LAW AND JURISDICTION. All disputes arising out of or related to this Agreement, whether based on contract, tort, or any other legal or equitable theory, will in all respects be governed by, and construed and interpreted under, the laws of the United States of America and the State of Delaware, without reference to conflict of laws principles. The parties agree that the United Nations Convention on Contracts for the International Sale of Goods (1980) is specifically excluded from and will not apply to this Agreement. All disputes arising out of or related to this Agreement, whether based on contract, tort, or any other legal or equitable theory, will be subject to the exclusive jurisdiction of the courts of the State of Delaware or of the Federal courts sitting in that State. Each party submits to the personal jurisdiction of those courts and waives all objections to that jurisdiction and venue for those disputes.

11. COMPLIANCE WITH LAWS. You agree to comply with all relevant laws and regulations governing your use, transfer, import, or export (or prohibition thereof) of the Software. You must: (a) comply with applicable laws and regulations and obtain any necessary authorizations; (b) not export, import, or transfer the Software to any prohibited or restricted country, person, or entity; and (c) not use or export, import, or transfer the Software for the development, design, manufacture, or production of nuclear, missile, chemical, or biological weapons.

12. GOVERNMENT RESTRICTED RIGHTS. The Software is a commercial item (as defined in 48 C.F.R. 2.101) consisting of commercial computer software and commercial computer software documentation (as those terms are used in 48 C.F.R. 12.212). This commercial computer software and related documentation is provided to end users for use by and on behalf of the U.S. Government with only those rights as are granted to all other end users pursuant to the terms and conditions herein.

13. ASSIGNMENT. You may not delegate, assign or transfer this Agreement, the license(s) granted or any of Your rights or duties hereunder, expressly, by implication, by operation of law, or otherwise and any attempt to do so, without Intel's express prior written consent, will be null and void. Intel may assign, delegate and transfer this Agreement, and its rights and obligations hereunder, in its sole discretion.

14. ENTIRE AGREEMENT. This Agreement contains the complete and exclusive agreement and understanding between the parties concerning the subject matter of this Agreement, and supersedes all prior and contemporaneous proposals, agreements, understanding, negotiations, representations, warranties, conditions, and communications, oral or written, between the parties relating to the same subject matter. You acknowledge and agree that in entering into this Agreement You have not relied on, and will not be entitled to rely on, any oral or written representations, warranties, conditions, understanding, or communications that are not expressly set forth in this Agreement. The express provisions of this Agreement control over any course of performance, course of dealing, or usage of the trade inconsistent with any of the provisions of this Agreement. The provisions of this Agreement will prevail notwithstanding any different, conflicting, or additional provisions that may appear on any purchase order, acknowledgement, invoice, or other writing issued by either party in connection with this Agreement. No modification or amendment to this Agreement will be effective unless in writing and signed by authorized representatives of each party, and must specifically identify this Agreement by its title and version; except that Intel may make changes to the Agreement as it distributes new versions

of the Software. If You received a copy of this Agreement translated into another language, the English language version of this Agreement will prevail in the event of any conflict between versions.

15. SEVERABILITY AND WAIVER. The parties intend that if a court holds that any provision or part of this Agreement is invalid or unenforceable under applicable law, the court will modify the provision to the minimum extent necessary to make it valid and enforceable, or if it cannot be made valid and enforceable, the parties intend that the court will sever and delete the provision or part from this Agreement. Any change to or deletion of a provision or part of this Agreement under this Section will not affect the validity or enforceability of the remainder of this Agreement, which will continue in full force and effect. The failure of a party to require performance by the other party of any provision hereof will not affect the full right to require such performance at any time thereafter; nor will waiver by a party of a breach of any provision hereof constitute a waiver of the provision itself.

16. PRIVACY. YOUR PRIVACY RIGHTS ARE SET FORTH IN INTEL'S PRIVACY NOTICE, WHICH FORMS A PART OF THIS AGREEMENT. PLEASE REVIEW THE PRIVACY NOTICE AT [HTTP://WWW.INTEL.COM/PRIVACY](http://www.intel.com/privacy) TO LEARN HOW INTEL COLLECTS, USES AND SHARES INFORMATION ABOUT YOU.
