

Intel Corporation Accessibility Conformance Report

International Edition

(Based on VPAT® Version 2.5)

Name of Product/Version: Intel® Optimization for PyTorch* 2023.2.0

Report Date: February 2024

Product Description: This is Intel® optimization for PyTorch*. PyTorch* is an AI and machine learning framework popular for both research and production usage. This open source library is often used for deep learning applications whose compute-intensive training and inference test the limits of available hardware resources.

Contact Information: <https://www.intel.com/content/www/us/en/support/contact-intel.html>

Notes:

Evaluation Methods Used:

- <https://www.w3.org/WAI/WCAG21/Understanding/> - evaluation methods for WCAG criteria
- Platform-specific accessibility features

Applicable Standards/Guidelines

This report covers the degree of conformance for the following accessibility standard/guidelines:

Standard/Guideline	Included In Report
Web Content Accessibility Guidelines 2.0	Level A (Yes) Level AA (Yes) Level AAA (No)
Web Content Accessibility Guidelines 2.1	Level A (Yes) Level AA (Yes) Level AAA (No)
Web Content Accessibility Guidelines 2.2	Level A (Yes) Level AA (Yes) Level AAA (No)
Revised Section 508 standards published January 18, 2017 and corrected January 22, 2018	(Yes)
EN 301 549 Accessibility requirements for ICT products and services - V3.1.1 (2019-11) AND EN 301 549 Accessibility requirements for ICT products and services - V3.2.1 (2021-03)	(Yes)

Terms

The terms used in the Conformance Level information are defined as follows:

- **Supports:** The functionality of the product has at least one method that meets the criterion without known defects or meets with equivalent facilitation.
- **Partially Supports:** Some functionality of the product does not meet the criterion.
- **Does Not Support:** The majority of product functionality does not meet the criterion.
- **Not Applicable:** The criterion is not relevant to the product.
- **Not Evaluated:** The product has not been evaluated against the criterion. This can only be used in WCAG Level AAA criteria.

WCAG 2.x Report

Tables 1 and 2 also document conformance with:

- EN 301 549: Chapter 9 - Web, Sections 10.1-10.4 of Chapter 10 - Non-Web documents, and Sections 11.1-11.4 and 11.8.2 of Chapter 11 - Non-Web Software (open and closed functionality), and Sections 12.1.2 and 12.2.4 of Chapter 12 – Documentation
- Revised Section 508: Chapter 5 – 501.1 Scope, 504.2 Content Creation or Editing, and Chapter 6 – 602.3 Electronic Support Documentation.

Note: When reporting on conformance with the WCAG 2.x Success Criteria, they are scoped for full pages, complete processes, and accessibility-supported ways of using technology as documented in the [WCAG 2.0 Conformance Requirements](#).

Table 1: Success Criteria, Level A

Notes: The product is not closed and does not have any closed functionality. The product is not the authoring tool.

Criteria	Conformance Level	Remarks and Explanations

Revised Section 508 Report

Notes:

Chapter 3: [Functional Performance Criteria \(FPC\)](#)

Notes:

Criteria	Conformance Level	Remarks and Explanations
302.1 Without Vision	Partially Supports	The product supports a command-line (text and keyboard) interface. This allows interaction through interactive voice response systems. Users can transmit commands and receive responses via both text and interactive voice input methods.
302.2 With Limited Vision	Partially Supports	The product supports a command-line (text and keyboard) interface. This allows interaction through interactive voice response systems. Users can transmit commands and receive responses via both text and interactive voice input methods.
302.3 Without Perception of Color	Supports	Perception of color is not required for operation of the product. Color coding is not used as the only means of conveying information, indicating an action, prompting a response, or distinguishing a visual element
302.4 Without Hearing	Supports	Hearing is not required for operation of the product
302.5 With Limited Hearing	Supports	Hearing is not required for operation of the product
302.6 Without Speech	Supports	Speech is not required for operation of the product

Criteria	Conformance Level	Remarks and Explanations
302.7 With Limited Manipulation	Supports	No fine motor control or simultaneous actions are required for operation of the product
302.8 With Limited Reach and Strength	Supports	The product is operable for people with limited reach and limited strength
302.9 With Limited Language, Cognitive, and Learning Abilities	Not Applicable	The product is used by software developers. The product has the technical guidance documentation that is not intended for the general reader

Chapter 4: [Hardware](#)

Notes: The product is a set of tools that are used by software developers to build application software. The product does not have any hardware components.

Chapter 5: [Software](#)

Notes:

Criteria	Conformance Level	Remarks and Explanations
501.1 Scope – Incorporation of WCAG 2.0 AA	See WCAG 2.x section	See information in WCAG 2.x section
502 Interoperability with Assistive Technology	Heading cell – no response required	Heading cell – no response required
502.2.1 User Control of Accessibility Features	Supports	The product is a set of tools that are used by software developers to build application software. All product functions can be executed from a keyboard and can be accessible through platform features that are defined in the platform documentation as accessibility features
502.2.2 No Disruption of Accessibility Features	Supports	There is nothing in the product that will cause disruption of platform features that are defined in the platform documentation as accessibility features.
502.3 Accessibility Services	Heading cell – no response required	Heading cell – no response required

Criteria	Conformance Level	Remarks and Explanations
502.3.1 Object Information	Partially Supports	This criterion is only applicable for and is supported by the Graphical User Interface of the product's installation program.
502.3.2 Modification of Object Information	Partially Supports	This criterion is only applicable for and is supported by the Graphical User Interface of the product's installation program.
502.3.3 Row, Column, and Headers	Partially Supports	This criterion is only applicable for and is supported by the Graphical User Interface of the product's installation program.
502.3.4 Values	Partially Supports	This criterion is only applicable for and is supported by the Graphical User Interface of the product's installation program.
502.3.5 Modification of Values	Partially Supports	This criterion is only applicable for and is supported by the Graphical User Interface of the product's installation program.
502.3.6 Label Relationships	Partially Supports	This criterion is only applicable for and is supported by the Graphical User Interface of the product's installation program.
502.3.7 Hierarchical Relationships	Partially Supports	This criterion is only applicable for and is supported by the Graphical User Interface of the product's installation program.
502.3.8 Text	Supports	The content of text objects, text attributes, and the boundary of text rendered to the screen are accessible through platform features that are defined in the platform documentation as accessibility features
502.3.9 Modification of Text	Supports	Text that can be set by the user through platform features that are defined in the platform documentation as accessibility features
502.3.10 List of Actions	Partially Supports	This criterion is only applicable for and is supported by the Graphical User Interface of the product's installation program.

Criteria	Conformance Level	Remarks and Explanations
502.3.11 Actions on Objects	Partially Supports	This criterion is only applicable for and is supported by the Graphical User Interface of the product's installation program.
502.3.12 Focus Cursor	Partially Supports	This criterion is only applicable for and is supported by the Graphical User Interface of the product's installation program.
502.3.13 Modification of Focus Cursor	Partially Supports	This criterion is only applicable for and is supported by the Graphical User Interface of the product's installation program.
502.3.14 Event Notification	Supports	Notification of events relevant to user interactions are accessible through platform features that are defined in the platform documentation as accessibility features
502.4 Platform Accessibility Features	Supports	The product supports the use of platform features that are defined in the platform documentation as accessibility features
<u>503 Applications</u>	Heading cell – no response required	Heading cell – no response required
503.2 User Preferences	Supports	All host operating system specific applications permit user preferences from platform settings for color, contrast, font type, font size, and focus cursor.
503.3 Alternative User Interfaces	Not Applicable	The product does not provide any alternative user interface that functions as assistive technology
<i>503.4 User Controls for Captions and Audio Description</i>	Heading cell – no response required	Heading cell – no response required
503.4.1 Caption Controls	Not Applicable	The product itself does not provide any information in video/audio format
503.4.2 Audio Description Controls	Not Applicable	The product itself does not provide any information in video/audio format
<u>504 Authoring Tools</u>	Heading cell – no response required	Heading cell – no response required
504.2 Content Creation or Editing (if not authoring tool, enter "not	Not Applicable	The product is not the authoring tool

Criteria	Conformance Level	Remarks and Explanations
applicable”)		
504.2.1 Preservation of Information Provided for Accessibility in Format Conversion	Not Applicable	The product is not the authoring tool
504.2.2 PDF Export	Not Applicable	The product is not the authoring tool
504.3 Prompts	Not Applicable	The product is not the authoring tool
504.4 Templates	Not Applicable	The product is not the authoring tool

Chapter 6: [Support Documentation and Services](#)

Notes:

Criteria	Conformance Level	Remarks and Explanations
601.1 Scope	Heading cell – no response required	Heading cell – no response required
602 Support Documentation	Heading cell – no response required	Heading cell – no response required
602.2 Accessibility and Compatibility Features	Does Not Support	Product support documentation doesn’t explain compatibility with assistive technology
602.3 Electronic Support Documentation	See WCAG 2.x section	See information in WCAG 2.x section
602.4 Alternate Formats for Non-Electronic Support Documentation	Not Applicable	Product support for Intel® SoftwareDevelopment Products provides such information
603 Support Services	Heading cell – no response required	Heading cell – no response required
603.2 Information on Accessibility and Compatibility Features	Does Not Support	support services don’t include information on the accessibility and compatibility features
603.3 Accommodation of Communication Needs	Supports	Product support for Intel® Software Development Products is available in a variety of formats and from a number of online sources available from Intel Corporation

EN 301 549 Report

Notes:

Chapter [4: Functional Performance Statements \(FPS\)](#)

Notes:

Criteria	Conformance Level	Remarks and Explanations
4.2.1 Usage without vision	See Revised Section 508 Report section	See information in Revised Section 508 Report section
4.2.2 Usage with limited vision	See Revised Section 508 Report section	See information in Revised Section 508 Report section
4.2.3 Usage without perception of colour	See Revised Section 508 Report section	See information in Revised Section 508 Report section
4.2.4 Usage without hearing	See Revised Section 508 Report section	See information in Revised Section 508 Report section
4.2.5 Usage with limited hearing	See Revised Section 508 Report section	See information in Revised Section 508 Report section
4.2.6 Usage with no or limited vocal capability	See Revised Section 508 Report section	See information in Revised Section 508 Report section
4.2.7 Usage with limited manipulation or strength	See Revised Section 508 Report section	See information in Revised Section 508 Report section
4.2.8 Usage with limited reach	See Revised Section 508 Report section	See information in Revised Section 508 Report section
4.2.9 Minimize photosensitive seizure triggers	Supports	The product does not use flashing or blinking text or objects or any other elements
4.2.10 Usage with limited cognition, language or learning	See Revised Section 508 Report section	See information in Revised Section 508 Report section
4.2.11 Privacy	Not Applicable	The product itself does not provide accessibility features

Chapter [5: Generic Requirements](#)

Notes: The product is not closed and does not have any closed functionality, operable parts, locking or toggle controls

Chapter [6: ICT with Two-Way Voice Communication](#)

Notes: The product does not provide two-way voice communication

Chapter [7: ICT with Video Capabilities](#)

Notes: The product does not provide any information in video format

Chapter [8: Hardware](#)

Notes: The product is a set of tools that are used by software developers to build application software. The product does not have any hardware components

Chapter [9: Web](#) (see [WCAG 2.x section](#))

Notes:

Chapter [10: Non-Web Documents](#)

Notes:

Criteria	Conformance Level	Remarks and Explanations
10.0 General (informative)	Heading cell – no response required	Heading cell – no response required
10.1.1.1 through 10.4.1.3	See WCAG 2.x section	See information in WCAG 2.x section
10.5 Caption positioning	Not applicable	There is no media in downloadable documentation
10.6 Audio description timing	Not applicable	There is no media in downloadable documentation

Chapter [11: Software](#)

Notes:

Criteria	Conformance Level	Remarks and Explanations
11.0 General (informative)	Heading cell – no response required	Heading cell – no response required
11.1.1.1 through 11.4.1.3	See WCAG 2.x section	See information in WCAG 2.x section
11.5 Interoperability with assistive technology	Heading cell – no response required	Heading cell – no response required
11.5.1 Closed functionality	Heading cell – no response required	Heading cell – no response required
11.5.2 Accessibility services	Heading cell – no response required	Heading cell – no response required
11.5.2.1 Platform accessibility service support for software that provides a user interface	See 11.5.2.5 through 11.5.2.17	See information in 11.5.2.5 through 11.5.2.17
11.5.2.2 Platform accessibility service support for assistive technologies	See 11.5.2.5 through 11.5.2.17	See information in 11.5.2.5 through 11.5.2.17
11.5.2.3 Use of accessibility services	See information in 11.5.2.5 through 11.5.2.17	See information in 11.5.2.5 through 11.5.2.17
11.5.2.4 Assistive technology	Not Applicable	The product is not an assistive technology
11.5.2.5 Object information	See Revised Section 508 Report section	See information in Revised Section 508 Report section
11.5.2.6 Row, column, and headers	See Revised Section 508 Report section	See information in Revised Section 508 Report section
11.5.2.7 Values	See Revised Section 508 Report section	See information in Revised Section 508 Report section
11.5.2.8 Label relationships	See Revised Section 508 Report section	See information in Revised Section 508 Report section
11.5.2.9 Parent-child relationships	See Revised Section 508 Report section	See information in Revised Section 508 Report section
11.5.2.10 Text	See Revised Section 508 Report section	See information in Revised Section 508 Report section
11.5.2.11 List of available actions	See Revised Section 508 Report section	See information in Revised Section 508 Report section
11.5.2.12 Execution of available actions	See Revised Section 508 Report section	See information in Revised Section 508 Report section
11.5.2.13 Tracking of focus and selection attributes	See Revised Section 508 Report section	See information in Revised Section 508 Report section
11.5.2.14 Modification of focus and selection attributes	See Revised Section 508 Report section	See information in Revised Section 508

Criteria	Conformance Level	Remarks and Explanations
		Report section
11.5.2.15 Change notification	See Revised Section 508 Report section	See information in Revised Section 508 Report section
11.5.2.16 Modifications of states and properties	See Revised Section 508 Report section	See information in Revised Section 508 Report section
11.5.2.17 Modifications of values and text	See Revised Section 508 Report section	See information in Revised Section 508 Report section
11.6 Documented accessibility usage	Heading cell – no response required	Heading cell – no response required
11.6.1 User control of accessibility features	See Revised Section 508 Report section	See information in Revised Section 508 Report section
11.6.2 No disruption of accessibility features	See Revised Section 508 Report section	See information in Revised Section 508 Report section
11.7 User preferences	See Revised Section 508 Report section	See information in Revised Section 508 Report section
11.8 Authoring tools	Heading cell – no response required	Heading cell – no response required
11.8.1 Content technology	Heading cell – no response required	Heading cell – no response required
11.8.2 Accessible content creation	See WCAG 2.x section (If not authoring tool, enter “Not Applicable”)	See information in WCAG 2.x section
11.8.3 Preservation of accessibility information in transformations		
11.8.4 Repair assistance		
11.8.5 Templates		

Chapter [12: Documentation and Support Services](#)

Notes:

Criteria	Conformance Level	Remarks and Explanations
12.1 Product documentation	Heading cell – no response required	Heading cell – no response required
12.1.1 Accessibility and compatibility features	See Revised Section 508 Report section	See information in Revised Section 508 Report section

Criteria	Conformance Level	Remarks and Explanations
12.1.2 Accessible documentation	See WCAG 2.x section	See information in WCAG 2.x section
12.2 Support Services	Heading cell – no response required	Heading cell – no response required
12.2.2 Information on accessibility and compatibility features	See Revised Section 508 Report section	See information in Revised Section 508 Report section
12.2.3 Effective communication	Supports	Product support for Intel® Software Development Products is available in a variety of formats and from a number of online sources available from Intel Corporation
12.2.4 Accessible documentation	See WCAG 2.x section	See information in WCAG 2.x section

Chapter [13: ICT Providing Relay or Emergency Service Access](#)

Notes: The product does not provide relay or emergency service
