

# Intel Corporation Accessibility Conformance Report

## International Edition

(Based on VPAT® Version 2.5)

**Name of Product/Version:** Intel® Embree Ray Tracing Kernel Library 2024.0.0

**Report Date:** February 2024

**Product Description:** Improve the performance of photo-realistic rendering applications with this library of ray-tracing kernels.

**Contact Information:** <https://www.intel.com/content/www/us/en/support/contact-intel.html>

**Notes:**

**Evaluation Methods Used:**

- <https://www.w3.org/WAI/WCAG21/Understanding/> - evaluation methods for WCAG criteria
- Platform-specific accessibility features

### Applicable Standards/Guidelines

This report covers the degree of conformance for the following accessibility standard/guidelines:

| Standard/Guideline   | Included In Report                                |
|--|---|
| <a href="#">Web Content Accessibility Guidelines 2.0</a>   | Level A (Yes)<br>Level AA (Yes)<br>Level AAA (No) |
| <a href="#">Web Content Accessibility Guidelines 2.1</a>   | Level A (Yes)<br>Level AA (Yes)<br>Level AAA (No) |
| <a href="#">Web Content Accessibility Guidelines 2.2</a>   | Level A (Yes)<br>Level AA (Yes)<br>Level AAA (No) |
| <a href="#">Revised Section 508 standards published January 18, 2017 and corrected January 22, 2018</a>  | (Yes)   |
| <a href="#">EN 301 549 Accessibility requirements for ICT products and services - V3.1.1 (2019-11)</a> AND<br><a href="#">EN 301 549 Accessibility requirements for ICT products and services - V3.2.1 (2021-03)</a> | (Yes)   |

## Terms

The terms used in the Conformance Level information are defined as follows:

- **Supports:** The functionality of the product has at least one method that meets the criterion without known defects or meets with equivalent facilitation.
- **Partially Supports:** Some functionality of the product does not meet the criterion.
- **Does Not Support:** The majority of product functionality does not meet the criterion.
- **Not Applicable:** The criterion is not relevant to the product.
- **Not Evaluated:** The product has not been evaluated against the criterion. This can only be used in WCAG Level AAA criteria.

## WCAG 2.x Report

Tables 1 and 2 also document conformance with:

- EN 301 549: Chapter 9 - Web, Sections 10.1-10.4 of Chapter 10 - Non-Web documents, and Sections 11.1-11.4 and 11.8.2 of Chapter 11 - Non-Web Software (open and closed functionality), and Sections 12.1.2 and 12.2.4 of Chapter 12 – Documentation
- Revised Section 508: Chapter 5 – 501.1 Scope, 504.2 Content Creation or Editing, and Chapter 6 – 602.3 Electronic Support Documentation.

Note: When reporting on conformance with the WCAG 2.x Success Criteria, they are scoped for full pages, complete processes, and accessibility-supported ways of using technology as documented in the [WCAG 2.0 Conformance Requirements](#).

## Table 1: Success Criteria, Level A

Notes: The product is not closed and does not have any closed functionality. The product is not the authoring tool.

| Criteria  | Conformance Level   | Remarks and Explanations   |
|---|---|--|
| <p><b><u>1.1.1 Non-text Content</u></b> (Level A)</p> <p>Also applies to:</p> <p>EN 301 549 Criteria</p> <ul style="list-style-type: none"> <li>9.1.1.1 (Web)</li> <li>10.1.1.1 (Non-web document)</li> <li>11.1.1.1.1 (Open Functionality Software)</li> <li>11.1.1.1.2 (Closed Functionality Software)</li> <li>11.8.2 (Authoring Tool)</li> <li>12.1.2 (Product Docs)</li> <li>12.2.4 (Support Docs)</li> </ul> <p>Revised Section 508</p> <ul style="list-style-type: none"> <li>501 (Web)(Software)</li> <li>504.2 (Authoring Tool)</li> <li>602.3 (Support Docs)</li> </ul>                             | <p>Web: Supports</p> <p>Electronic Docs: Supports</p> <p>Software: Supports</p>                   | <p>Web: All information provided on web part has a text alternative.</p> <p>Electronic Docs: The electronic documentation provides all information in text format or has a text alternative.</p> <p>Software: The software part provides all information in text format or has a text alternative.</p> |
| <p><b><u>1.2.1 Audio-only and Video-only (Prerecorded)</u></b> (Level A)</p> <p>Also applies to:</p> <p>EN 301 549 Criteria</p> <ul style="list-style-type: none"> <li>9.1.2.1 (Web)</li> <li>10.1.2.1 (Non-web document)</li> <li>11.1.2.1.1 (Open Functionality Software)</li> <li>11.1.2.1.2.1 and 11.1.2.1.2.2 (Closed Software)</li> <li>11.8.2 (Authoring Tool)</li> <li>12.1.2 (Product Docs)</li> <li>12.2.4 (Support Docs)</li> </ul> <p>Revised Section 508</p> <ul style="list-style-type: none"> <li>501 (Web)(Software)</li> <li>504.2 (Authoring Tool)</li> <li>602.3 (Support Docs)</li> </ul> | <p>Web: Not Applicable</p> <p>Electronic Docs: Not Applicable</p> <p>Software: Not Applicable</p> | <p>Web: There is no Audio-only, Video-only content.</p> <p>Electronic Docs: There is no Audio-only, Video-only content.</p> <p>Software: There is no Audio-only, Video-only content.</p>   |

| Criteria  | Conformance Level  | Remarks and Explanations  |

# Revised Section 508 Report

Notes:

## Chapter 3: [Functional Performance Criteria \(FPC\)](#)

Notes:

| Criteria                          | Conformance Level  | Remarks and Explanations  |
|-----------------------------------|--------------------|---|
| 302.1 Without Vision              | Partially Supports | The product supports a command-line (text and keyboard) interface. This allows interaction through interactive voice response systems. Users can transmit commands and receive responses via both text and interactive voice input methods. |
| 302.2 With Limited Vision         | Partially Supports | The product supports a command-line (text and keyboard) interface. This allows interaction through interactive voice response systems. Users can transmit commands and receive responses via both text and interactive voice input methods. |
| 302.3 Without Perception of Color | Supports           | Perception of color is not required for operation of the product. Color coding is not used as the only means of conveying information, indicating an action, prompting a response, or distinguishing a visual element                       |
| 302.4 Without Hearing             | Supports           | Hearing is not required for operation of the product  |
| 302.5 With Limited Hearing        | Supports           | Hearing is not required for operation of the product  |
| 302.6 Without Speech              | Supports           | Speech is not required for operation of the product   |

| Criteria   | Conformance Level | Remarks and Explanations   |
|--|-------------------|--|
| 302.7 With Limited Manipulation                                | Supports          | No fine motor control or simultaneous actions are required for operation of the product  |
| 302.8 With Limited Reach and Strength                          | Supports          | The product is operable for people with limited reach and limited strength   |
| 302.9 With Limited Language, Cognitive, and Learning Abilities | Not Applicable    | The product is used by software developers. The product has the technical guidance documentation that is not intended for the general reader |

## Chapter 4: [Hardware](#)

Notes: The product is a set of tools that are used by software developers to build application software. The product does not have any hardware components.

## Chapter 5: [Software](#)

Notes:

| Criteria   | Conformance Level                    | Remarks and Explanations   |
|--|--------------------------------------|--|
| 501.1 Scope – Incorporation of WCAG 2.0 AA                     | See <a href="#">WCAG 2.x</a> section | See information in WCAG 2.x section  |
| <a href="#">502 Interoperability with Assistive Technology</a> | Heading cell – no response required  | Heading cell – no response required  |
| 502.2.1 User Control of Accessibility Features                 | Supports                             | The product is a set of tools that are used by software developers to build application software. All product functions can be executed from a keyboard and can be accessible through platform features that are defined in the platform documentation as accessibility features |
| 502.2.2 No Disruption of Accessibility Features                | Supports                             | There is nothing in the product that will cause disruption of platform features that are defined in the platform documentation as accessibility features.  |
| <b>502.3 Accessibility Services</b>                            | Heading cell – no response required  | Heading cell – no response required  |

| Criteria                                   | Conformance Level  | Remarks and Explanations  |
|--|--------------------|---|
| 502.3.1 Object Information                 | Partially Supports | This criterion is only applicable for and is supported by the Graphical User Interface of the product's installation program.   |
| 502.3.2 Modification of Object Information | Partially Supports | This criterion is only applicable for and is supported by the Graphical User Interface of the product's installation program.   |
| 502.3.3 Row, Column, and Headers           | Partially Supports | This criterion is only applicable for and is supported by the Graphical User Interface of the product's installation program.   |
| 502.3.4 Values                             | Partially Supports | This criterion is only applicable for and is supported by the Graphical User Interface of the product's installation program.   |
| 502.3.5 Modification of Values             | Partially Supports | This criterion is only applicable for and is supported by the Graphical User Interface of the product's installation program.   |
| 502.3.6 Label Relationships                | Partially Supports | This criterion is only applicable for and is supported by the Graphical User Interface of the product's installation program.   |
| 502.3.7 Hierarchical Relationships         | Partially Supports | This criterion is only applicable for and is supported by the Graphical User Interface of the product's installation program.   |
| 502.3.8 Text                               | Supports           | The content of text objects, text attributes, and the boundary of text rendered to the screen are accessible through platform features that are defined in the platform documentation as accessibility features |
| 502.3.9 Modification of Text               | Supports           | Text that can be set by the user through platform features that are defined in the platform documentation as accessibility features   |
| 502.3.10 List of Actions                   | Partially Supports | This criterion is only applicable for and is supported by the Graphical User Interface of the product's installation program.   |

| Criteria   | Conformance Level                   | Remarks and Explanations   |
|--|-------------------------------------|--|
| 502.3.11 Actions on Objects  | Partially Supports                  | This criterion is only applicable for and is supported by the Graphical User Interface of the product's installation program.  |
| 502.3.12 Focus Cursor  | Partially Supports                  | This criterion is only applicable for and is supported by the Graphical User Interface of the product's installation program.  |
| 502.3.13 Modification of Focus Cursor                                | Partially Supports                  | This criterion is only applicable for and is supported by the Graphical User Interface of the product's installation program.  |
| 502.3.14 Event Notification  | Supports                            | Notification of events relevant to user interactions are accessible through platform features that are defined in the platform documentation as accessibility features |
| 502.4 Platform Accessibility Features                                | Supports                            | The product supports the use of platform features that are defined in the platform documentation as accessibility features   |
| <b><u>503 Applications</u></b>                                       | Heading cell – no response required | Heading cell – no response required  |
| 503.2 User Preferences   | Supports                            | All host operating system specific applications permit user preferences from platform settings for color, contrast, font type, font size, and focus cursor.            |
| 503.3 Alternative User Interfaces                                    | Not Applicable                      | The product does not provide any alternative user interface that functions as assistive technology   |
| <b><i>503.4 User Controls for Captions and Audio Description</i></b> | Heading cell – no response required | Heading cell – no response required  |
| 503.4.1 Caption Controls   | Not Applicable                      | The product itself does not provide any information in video/audio format  |
| 503.4.2 Audio Description Controls                                   | Not Applicable                      | The product itself does not provide any information in video/audio format  |
| <b><u>504 Authoring Tools</u></b>                                    | Heading cell – no response required | Heading cell – no response required  |
| 504.2 Content Creation or Editing (if not authoring tool, enter "not | Not Applicable                      | The product is not the authoring tool  |

| Criteria  | Conformance Level | Remarks and Explanations              |
|---|-------------------|---------------------------------------|
| applicable”)  |                   |                                       |
| 504.2.1 Preservation of Information Provided for Accessibility in Format Conversion | Not Applicable    | The product is not the authoring tool |
| 504.2.2 PDF Export  | Not Applicable    | The product is not the authoring tool |
| 504.3 Prompts   | Not Applicable    | The product is not the authoring tool |
| 504.4 Templates   | Not Applicable    | The product is not the authoring tool |

## Chapter 6: [Support Documentation and Services](#)

Notes:

| Criteria   | Conformance Level                    | Remarks and Explanations   |
|--|--------------------------------------|--|
| <b>601.1 Scope</b>   | Heading cell – no response required  | Heading cell – no response required  |
| <b><a href="#">602 Support Documentation</a></b>                 | Heading cell – no response required  | Heading cell – no response required  |
| 602.2 Accessibility and Compatibility Features                   | Does Not Support                     | Product support documentation doesn’t explain compatibility with assistive technology  |
| 602.3 Electronic Support Documentation                           | See <a href="#">WCAG 2.x</a> section | See information in WCAG 2.x section  |
| 602.4 Alternate Formats for Non-Electronic Support Documentation | Not Applicable                       | Product support for Intel® SoftwareDevelopment Products provides such information  |
| <b><a href="#">603 Support Services</a></b>                      | Heading cell – no response required  | Heading cell – no response required  |
| 603.2 Information on Accessibility and Compatibility Features    | Does Not Support                     | support services don’t include information on the accessibility and compatibility features   |
| 603.3 Accommodation of Communication Needs                       | Supports                             | Product support for Intel® Software Development Products is available in a variety of formats and from a number of online sources available from Intel Corporation |

# EN 301 549 Report

Notes:

## Chapter [4: Functional Performance Statements \(FPS\)](#)

Notes:

| Criteria  | Conformance Level                                      | Remarks and Explanations  |
|---|--|---|
| 4.2.1 Usage without vision                                | See <a href="#">Revised Section 508 Report</a> section | See information in Revised Section 508 Report section                               |
| 4.2.2 Usage with limited vision                           | See <a href="#">Revised Section 508 Report</a> section | See information in Revised Section 508 Report section                               |
| 4.2.3 Usage without perception of colour                  | See <a href="#">Revised Section 508 Report</a> section | See information in Revised Section 508 Report section                               |
| 4.2.4 Usage without hearing                               | See <a href="#">Revised Section 508 Report</a> section | See information in Revised Section 508 Report section                               |
| 4.2.5 Usage with limited hearing                          | See <a href="#">Revised Section 508 Report</a> section | See information in Revised Section 508 Report section                               |
| 4.2.6 Usage with no or limited vocal capability           | See <a href="#">Revised Section 508 Report</a> section | See information in Revised Section 508 Report section                               |
| 4.2.7 Usage with limited manipulation or strength         | See <a href="#">Revised Section 508 Report</a> section | See information in Revised Section 508 Report section                               |
| 4.2.8 Usage with limited reach                            | See <a href="#">Revised Section 508 Report</a> section | See information in Revised Section 508 Report section                               |
| 4.2.9 Minimize photosensitive seizure triggers            | Supports   | The product does not use flashing or blinking text or objects or any other elements |
| 4.2.10 Usage with limited cognition, language or learning | See <a href="#">Revised Section 508 Report</a> section | See information in Revised Section 508 Report section                               |
| 4.2.11 Privacy  | Not Applicable   | The product itself does not provide accessibility features                          |

## Chapter [5: Generic Requirements](#)

Notes: The product is not closed and does not have any closed functionality, operable parts, locking or toggle controls

## Chapter [6: ICT with Two-Way Voice Communication](#)

Notes: The product does not provide two-way voice communication

## Chapter [7: ICT with Video Capabilities](#)

Notes: The product does not provide any information in video format

## Chapter [8: Hardware](#)

Notes: The product is a set of tools that are used by software developers to build application software. The product does not have any hardware components

## Chapter [9: Web](#) (see [WCAG 2.x section](#))

Notes:

## Chapter [10: Non-Web Documents](#)

Notes:

| Criteria                          | Conformance Level                    | Remarks and Explanations                        |
|-----------------------------------|--------------------------------------|---|
| <b>10.0 General (informative)</b> | Heading cell – no response required  | Heading cell – no response required             |
| 10.1.1.1 through 10.4.1.3         | See <a href="#">WCAG 2.x</a> section | See information in WCAG 2.x section             |
| 10.5 Caption positioning          | Not applicable                       | There is no media in downloadable documentation |
| 10.6 Audio description timing     | Not applicable                       | There is no media in downloadable documentation |

## Chapter [11: Software](#)

Notes:

| Criteria  | Conformance Level                                      | Remarks and Explanations                              |
|---|--|---|
| <b>11.0 General (informative)</b>   | Heading cell – no response required                    | Heading cell – no response required                   |
| 11.1.1.1 through 11.4.1.3   | See <a href="#">WCAG 2.x</a> section                   | See information in WCAG 2.x section                   |
| <b>11.5 Interoperability with assistive technology</b>                                      | Heading cell – no response required                    | Heading cell – no response required                   |
| <b>11.5.1 Closed functionality</b>  | Heading cell – no response required                    | Heading cell – no response required                   |
| <b>11.5.2 Accessibility services</b>  | Heading cell – no response required                    | Heading cell – no response required                   |
| 11.5.2.1 Platform accessibility service support for software that provides a user interface | See 11.5.2.5 through 11.5.2.17                         | See information in 11.5.2.5 through 11.5.2.17         |
| 11.5.2.2 Platform accessibility service support for assistive technologies                  | See 11.5.2.5 through 11.5.2.17                         | See information in 11.5.2.5 through 11.5.2.17         |
| 11.5.2.3 Use of accessibility services  | See information in 11.5.2.5 through 11.5.2.17          | See information in 11.5.2.5 through 11.5.2.17         |
| 11.5.2.4 Assistive technology   | Not Applicable   | The product is not an assistive technology            |
| 11.5.2.5 Object information   | See <a href="#">Revised Section 508 Report</a> section | See information in Revised Section 508 Report section |
| 11.5.2.6 Row, column, and headers   | See <a href="#">Revised Section 508 Report</a> section | See information in Revised Section 508 Report section |
| 11.5.2.7 Values   | See <a href="#">Revised Section 508 Report</a> section | See information in Revised Section 508 Report section |
| 11.5.2.8 Label relationships  | See <a href="#">Revised Section 508 Report</a> section | See information in Revised Section 508 Report section |
| 11.5.2.9 Parent-child relationships   | See <a href="#">Revised Section 508 Report</a> section | See information in Revised Section 508 Report section |
| 11.5.2.10 Text  | See <a href="#">Revised Section 508 Report</a> section | See information in Revised Section 508 Report section |
| 11.5.2.11 List of available actions   | See <a href="#">Revised Section 508 Report</a> section | See information in Revised Section 508 Report section |
| 11.5.2.12 Execution of available actions  | See <a href="#">Revised Section 508 Report</a> section | See information in Revised Section 508 Report section |
| 11.5.2.13 Tracking of focus and selection attributes  | See <a href="#">Revised Section 508 Report</a> section | See information in Revised Section 508 Report section |
| 11.5.2.14 Modification of focus and selection attributes                                    | See <a href="#">Revised Section 508 Report</a> section | See information in Revised Section 508                |

| Criteria  | Conformance Level   | Remarks and Explanations                              |
|---|---|---|
|   |   | Report section  |
| 11.5.2.15 Change notification                                       | See <a href="#">Revised Section 508 Report</a> section                                  | See information in Revised Section 508 Report section |
| 11.5.2.16 Modifications of states and properties                    | See <a href="#">Revised Section 508 Report</a> section                                  | See information in Revised Section 508 Report section |
| 11.5.2.17 Modifications of values and text                          | See <a href="#">Revised Section 508 Report</a> section                                  | See information in Revised Section 508 Report section |
| <b>11.6 Documented accessibility usage</b>                          | Heading cell – no response required   | Heading cell – no response required                   |
| 11.6.1 User control of accessibility features                       | See <a href="#">Revised Section 508 Report</a> section                                  | See information in Revised Section 508 Report section |
| 11.6.2 No disruption of accessibility features                      | See <a href="#">Revised Section 508 Report</a> section                                  | See information in Revised Section 508 Report section |
| 11.7 User preferences   | See <a href="#">Revised Section 508 Report</a> section                                  | See information in Revised Section 508 Report section |
| <b>11.8 Authoring tools</b>   | Heading cell – no response required   | Heading cell – no response required                   |
| <b>11.8.1 Content technology</b>                                    | Heading cell – no response required   | Heading cell – no response required                   |
| 11.8.2 Accessible content creation                                  | See <a href="#">WCAG 2.x</a> section<br>(If not authoring tool, enter “Not Applicable”) | See information in WCAG 2.x section                   |
| 11.8.3 Preservation of accessibility information in transformations |   |   |
| 11.8.4 Repair assistance  |   |   |
| 11.8.5 Templates  |   |   |

## Chapter [12: Documentation and Support Services](#)

Notes:

| Criteria  | Conformance Level                                      | Remarks and Explanations                              |
|---|--|---|
| <b>12.1 Product documentation</b>               | Heading cell – no response required                    | Heading cell – no response required                   |
| 12.1.1 Accessibility and compatibility features | See <a href="#">Revised Section 508 Report</a> section | See information in Revised Section 508 Report section |

| Criteria   | Conformance Level                                      | Remarks and Explanations   |
|--|--|--|
| 12.1.2 Accessible documentation                                | See <a href="#">WCAG 2.x</a> section                   | See information in WCAG 2.x section  |
| <b>12.2 Support Services</b>                                   | Heading cell – no response required                    | Heading cell – no response required  |
| 12.2.2 Information on accessibility and compatibility features | See <a href="#">Revised Section 508 Report</a> section | See information in Revised Section 508 Report section  |
| 12.2.3 Effective communication                                 | Supports   | Product support for Intel® Software Development Products is available in a variety of formats and from a number of online sources available from Intel Corporation |
| 12.2.4 Accessible documentation                                | See <a href="#">WCAG 2.x</a> section                   | See information in WCAG 2.x section  |

## Chapter [13: ICT Providing Relay or Emergency Service Access](#)

Notes: The product does not provide relay or emergency service
